Hamm Hearing Aid Center Covid 19 Policy and Hours of Operation

As Phase 2.5 in North Carolina is now observed, Hamm Hearing Aid Center has updated our hours of operation as we continue to serve our valued clients.

We will be seeing patients between 9 a.m. and 5 p. m. Monday-Thursday in our Wilmington office. While our Jacksonville location is still closed, we are offering limited hours on Tuesdays by appointment only.

We remain diligent in following best clinical practices for infection control. Social distancing remains in effect during this phase. We will continue to limit the number of patients inside our office. All patients must also wear a mask during visits. We do this for your protection, and we appreciate your understanding and support.

We value each one of you, and we want you to be safe and well as we all do our part to minimize the impact of the coronavirus. If you need to reach out to me directly; please feel free to call my cell phone at 910-620-1414. We look forward to resuming our normal business hours and way of life as soon as possible. In the interim, **we remain committed, and we look forward to continuing to do our best to serve you.**

Sincerely,

Clell Hamm
